

Exclusive to the Canadian collections industry, this comprehensive insurance program combines all your insurance requirements (needs) into **ONE** simple and convenient package.

The Creditguard team has over fifty years of combined experience providing group insurance/risk management solutions to companies across Canada

The Creditguard Team Commitment

- ✓ Designated service team
- ✓ Same day issuance of certificates of insurance
- ✓ Calls returned within two business hours
- ✓ Emails returned within two business hours

BENEFITS OF INSURING THROUGH THE CREDITGUARD PROGRAM

- 1) Canada wide BONDING – meeting the requirements of the Provincial Collection Agency Act.
- 2) Errors & Omissions Insurance – Up to \$5,000,000 (higher limits available on request). Protects professionals to pay for claims arising out their errors, omissions or negligent acts.
- 3) Commercial General Liability - Up to \$10,000,000 (higher limits available on request). This protects your business operations against lawsuits from clients and third parties.
- 4) Crime - Up to \$5,000,000 (higher limits available on request). This covers theft by your internal employees and more.
- 5) Property/Office Contents – This covers your office contents, phone systems & leasehold improvements. We also include comprehensive office contents extensions to maximize your coverage on an all risk form.

To learn how your company can benefit from the CreditGuard program please contact David Berger at (905) 201-5285 or david.berger@ensurcoinc.com
